**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

i am a customer of carolina water company (utilities inc.)

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

i am protesting an 80% increase in our water rates. our rates are already too high. there are 2 people living in our house and we pay on average \$70 to \$80 per month for water. the increase is unfounded, ridiculous, not fair, and just not right in these uncertain financial environments. the company must find ways to run more efficiently and cost effectively. an 80% increase is a joke.

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***  
(This section should be completed.)

i will make an appearance if called upon to voice my objection to this ridiculous rate increase proposal.
